1. INTRODUCTION

The purpose of this circular is to provide the Shareholders with information in respect of certain resolutions to be proposed at the Annual General Meeting for (i) the re-election of retiring Directors; (ii) the payment of a final dividend; (iii) the granting to the Directors of the Proposed General Mandate, the Proposed General Repurchase Mandate and the Proposed Extension Mandate; (iv) the proposed adoption of the 2025 Share Option Scheme; (v) the proposed adoption of the New Articles; and (vi) the Notice.

LETTER FROM THE BOARD

2. RE-ELECTION OF RETIRING DIRECTORS

In accordance with Article 84 of the Articles of Association, at each annual general meeting one-third of the Directors shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years. Accordingly, Mr. Chen Zhiping, Ms. Sze Shui Ling and Dr. Or Ching Fai shall retire by rotation at the Annual General Meeting and, being eligible, will offer themselves for re-election.

The Nomination Committee of the Company has reviewed the biographical details of the retiring Directors and their meeting of selection criteria (including but not limited to, reputation for integrity, accomplishment and experience, commitment and diversity in all its respect) as set out in the nomination policy and board diversity policy of the Company and took the view that all of them have been contributing to the Group effectively and are committed to their role as Directors.

The Company has received written annual independence confirmation from Dr. Or. During his tenure as independent non-executive Director, he does not involve in the daily management of the Company and is not financially dependent on the Company which would interfere with his exercise of independent judgement. Also, based on the biographical information of Dr. Or disclosed to the Company, he does not have any relationships with any Directors, senior management, substantial or controlling shareholders of the Company. The Nomination Committee is satisfied that Dr. Or meets the independence guidelines as set out in rule 3.13 of the Listing Rules and is independent in accordance with the terms of the guidelines.

Despite Dr. Or has served on the Board for more than 9 years, the Board is satisfied that the length of tenure of Dr. Or has not affected his independence having regard to his actual contributions, his impartiality and his independent judgement on various issues that he has brought to the discussions during Board and Board Committee meetings, and, therefore, the Board considers Dr. Or remains independent.

The Board, having considered the recommendation of the Nomination Committee, is of the view that the continuous appointment of the retiring Directors contributes to the stability and diversity of the Board, and recommends the re-election of these Directors.

Details of retiring Directors standing for re-election at the Annual General Meeting are set out in Appendix I to this circular in accordance with the relevant requirements of the Listing Rules.

Under the resolution numbered 3 as set out in the Notice, the re-election of the retiring Directors will be individually voted on by Shareholders.

LETTER FROM THE BOARD

3. RECOMMENDATION OF A FINAL DIVIDEND

At the Board meeting held on 26 June 2025, it was recommended to pay a final dividend of HK4.3 cents per Share for the year ended 31 March 2025. Subject to the Shareholders' approval of the proposed final dividend at the Annual General Meeting, the final dividend will be payable on or about Wednesday, 8 October 2025 to the Shareholders whose names appear on the register of members of the Company on Monday, 15 September 2025. For the purpose of ascertaining Shareholder's entitlement for the final dividend, the register of members of the Company will be closed from Wednesday, 10 September 2025 to Monday, 15 September 2025, both days inclusive. To qualify for the final dividend, all properly completed transfer forms accompanied by the relevant share certificates must be lodged for registration with the Company's Hong Kong branch share registrar, Computershare Hong Kong Investor Services Limited at Shops 1712-1716, 17/F, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong no later than 4:30 p.m. (Hong Kong time) on Tuesday, 9 September 2025.

4. PROPOSED GENERAL MANDATE TO ISSUE SHARES

At the Annual General Meeting, an ordinary resolution will be proposed to grant the Proposed General Mandate to the Directors to exercise all the powers of the Company to allot, issue and deal with additional Shares of not exceeding 10 per cent. of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution in relation to such general mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,224,250,000 Shares. Subject to the passing of the ordinary resolution numbered 6 as set out in the Notice and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the maximum number of Shares that can be allotted and issued by the Company under the Proposed General Mandate is 122,425,000 Shares.

5. PROPOSED GENERAL MANDATE TO REPURCHASE SHARES

At the Annual General Meeting, an ordinary resolution will be proposed to approve the granting of the Proposed General Repurchase Mandate to the Directors to exercise all the powers of the Company to repurchase Shares of not exceeding 10 per cent. of the aggregate nominal amount of the issued share capital of the Company (excluding Treasury Shares, if any) as at the date of passing of the resolution in relation to such general mandate. As at the Latest Practicable Date, the issued share capital of the Company comprised 1,224,250,000 Shares. On the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 122,425,000 Shares which are fully paid-up.

An explanatory statement as required by the Listing Rules to be sent to the Shareholders in connection with the Proposed General Repurchase Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolutions at the Annual General Meeting.

6. PROPOSED EXTENSION MANDATE

In addition, subject to approval of the ordinary resolutions in relation to the Proposed General Mandate and Proposed General Repurchase Mandate, an ordinary resolution will be proposed to grant the Proposed Extension Mandate to the Directors to the effect that the number of Shares repurchased by the Company under the Proposed General Repurchase Mandate will also be added to the aggregate number of Shares which may be allotted or agreed conditionally or unconditionally to be allotted under the Proposed General Mandate.

7. PROPOSED ADOPTION OF THE 2025 SHARE OPTION SCHEME

The existing share option scheme was adopted by the Company on 11 September 2015, which took effect on 8 October 2015 (the “**2015 Share Option Scheme**”), and is valid for a period of 10 years commencing on 8 October 2015 and will expire on 7 October 2025. Under the 2015 Share Option Scheme, the Board may terminate the 2015 Share Option Scheme at any time without shareholders’ approval by resolving that no further Options shall be granted under the 2015 Share Option Scheme. As at the Latest Practicable Date, the total number of shares which may be issued by the Company under the 2015 Share Option Shares was 118,000,000, representing approximately 9.64% of the issued share capital of the Company and no option has been granted. Given that (i) the Company proposes to adopt the 2025 Share Option Scheme (as defined below) at the Annual General Meeting and (ii) the Company has no intention of granting any option under 2015 Share Option Scheme during the date of this circular to the date of Annual General Meeting, the Board has resolved on 26 June 2025 to terminate the 2015 Share Option Scheme with effect from the Adoption Date of the 2025 Share Option Scheme (which is expected to be the date of the Annual General Meeting).

As the 2015 Share Option Scheme is due to expire on 7 October 2025, and in order to enable continuity of the share option scheme of the Company, the Board proposes to terminate the 2015 Share Option Scheme and adopt the 2025 Share Option Scheme in accordance with Chapter 17 of the Listing Rules, and an ordinary resolution will be proposed at the Annual General Meeting to seek the approval of the Shareholders for the adoption of the 2025 Share Option Scheme.

Purpose

The Board considers that the 2025 Share Option Scheme, which will be valid for a term of ten years commencing on the date of adoption of the 2025 Share Option Scheme, will enable the Group to incentivize and reward the Eligible Persons for their contribution to the Group and to align their interests with that of the Company so as to encourage them to work towards enhancing the value of the Company.

LETTER FROM THE BOARD

Eligible Persons

Pursuant to the terms of the 2025 Share Option Scheme, the Board shall have the absolute discretion to offer to grant an option to subscribe for such number of Shares as the Board may determine to an eligible person. An eligible person means an employee (whether full-time or part-time) or a director of the Company or any subsidiary of the Company. The eligibility of any eligible person to an offer shall be determined by the Directors from time to time on the basis of (i) his/her skills, knowledge, experience, expertise and other relevant personal qualities; (ii) his or her performance, time commitment, responsibilities or employment conditions and the prevailing market practice and industry standard, (iii) contribution made or expected to be made to the development and growth of the Group, (iv) their length of services with the Group and/or any such other criteria as the Directors may deem appropriate. The Board is of the view that the 2025 Share Option Scheme will give the Eligible Persons an opportunity to have a personal stake in the Company and will help motivate the Eligible Persons in optimising their performance and efficiency and attract and retain the Eligible Persons whose contributions are important to the long-term growth and profitability of the Group. Therefore, the Board considers this aligns with the purpose of the 2025 Share Option Scheme.

Vesting Period

According to the terms of the 2025 Share Option Scheme, the vesting period for an option granted shall not be less than 12 months. However, if an option is granted to an eligible person who is an employee, a shorter vesting period for such option may be determined under specific circumstances set out in the 2025 Share Option Scheme, including but not limited to where the options are subject to performance-based vesting conditions and where the options shall vest evenly over a period of 12 months or more. The Board believes that its ability to provide for flexible accelerated vesting period of an option under these specific circumstances (i) may further incentivize such eligible persons to strive for better work quality by directly linking their performance with vesting conditions, and therefore contribute to the growth and promote the success of the business of the Group, and (ii) will enable the Group to provide competitive remuneration packages to attract and retain talents to continuously serve the Group, which is considered appropriate and align with the purpose of the 2025 Share Option Scheme.

Maximum Number of Shares

As at the Latest Practicable Date, there were 1,224,250,000 Shares in issue (excluding Treasury Shares, if any). Assuming that there is no change in the number of issued Shares during the period from the Latest Practicable Date to the Adoption Date, the maximum number of Shares issuable pursuant to the 2025 Share Option Scheme and any other share schemes of the Company (if any) in aggregate will be 122,425,000 Shares, being 10% of the total number of Shares in issue (excluding Treasury Shares, if any) on the Adoption Date.

Performance Targets and Clawback Mechanism

Similar to the 2015 Share Option Scheme, the 2025 Share Option Scheme sets out the vesting period for an option granted shall not be less than 12 months. However, the Board may, at its discretion, determine any minimum period for which an option must be held, any performance targets that must be achieved and/or any other conditions that must be fulfilled before an option can be exercised. Further, the Board has discretion (but not obligation) to determine any performance targets as it may think fit and claw back options under certain circumstances.

LETTER FROM THE BOARD

Given that the Directors are entitled to determine any performance targets to be achieved, the minimum period for which an option must be held before it can be exercised and clawback mechanism on a case by case basis, it is expected that (i) the Group is in a better position to reward its employees and retain human resources that are valuable to the growth and development of the Group as a whole; and (ii) the grantees of an option will make an effort to contribute to the development of the Group so as to bring about an increased market price of the Shares in order to capitalize on the benefits of the options granted under the 2025 Share Option Scheme and in turn benefiting the Company and the Shareholders as a whole. As such, the Board considers that the terms of the 2025 Share Option Scheme as summarized above and more fully in Appendix III of this circular align with the purpose of the 2025 Share Option Scheme as set out above.

Exercise Price of an Option

The exercise price of an option shall be determined by the Board and notified to an option-holder which shall be at least the higher of: (i) the closing price of the Shares as stated in the Stock Exchange's daily quotations sheet on the date of offer of the option, which must be a business day; (ii) the average closing price of the Shares as stated in the Stock Exchange's daily quotations sheet for the five trading days immediately preceding the date of offer of the option, which must be a business day; and (iii) the nominal value of the Shares. The Board considers that as the exercise price of an option cannot in any event fall below the price stipulated in the Listing Rules or such higher price as may be fixed by the Directors, it is expected that the grantees of an option will make an effort to contribute to the development of the Group so as to bring about an increased market price of the Shares in order to capitalize on the benefits of the options granted under the 2025 Share Option Scheme and in turn benefiting the Company and the Shareholders as a whole. As such, the Board considers that the provision in relation to the exercise price of an option aligns with the purpose of the 2025 Share Option Scheme as set out above.

Lapse of Option

An option will lapse on the earlier of (i) the expiry of the Option Period, or (ii) under certain circumstances as listed out in paragraph 13 of Appendix III of the circular and one example is lapse on voluntary resignation. The Board considers that there is a need for the Company to retain flexibility to determine exercisable period of the options when the Eligible Person voluntarily resigns and the Company should be allowed discretions to determine the exercisable period of such options. This is to reward the Eligible Person for their contribution to the Group and ensure the 2025 Share Option Scheme is attractive and provide sufficient incentives to the Eligible Persons. As such, the Board is of the view that such flexibility is appropriate and aligns with the purpose of the 2025 Share Option Scheme.

LETTER FROM THE BOARD

Conditions

The proposed adoption of the 2025 Share Option Scheme is conditional upon:

- (a) the passing by the Shareholders at the Annual General Meeting of an ordinary resolution to approve the adoption of the 2025 Share Option Scheme and to authorise the Board to grant Options and to allot, issue and deal with the Shares pursuant to the exercise of the Options; and
- (b) the Listing Committee of the Stock Exchange granting approval for the listing of, and permission to deal in, the Shares to be allotted and issued pursuant to the exercise of any Options. An application will be made to the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares to be allotted and issued pursuant to the exercise of the Options.

Others

None of the Directors is a trustee of the 2025 Share Option Scheme nor has a direct or indirect interest in the trustee (if any). No trustee will be appointed under the 2025 Share Option Scheme. The Company will comply with the requirements of the Listing Rules in granting options and issuing Shares pursuant to the 2025 Share Option Scheme. The Company has no intention to use treasury shares (if any) for the 2025 Share Option Scheme.

As at the Latest Practicable Date, the Company did not have any concrete plan to grant any options to any eligible persons upon adoption of the 2025 Share Option Scheme.

Document on Display

A copy of the 2025 Share Option Scheme will be published on the websites of the Stock Exchange and the Company for a period of not less than fourteen (14) days before the date of the Annual General Meeting and will also be made available for inspection at the Annual General Meeting.

LETTER FROM THE BOARD

The following is an explanatory statement as required by the Listing Rules to provide the Shareholders with requisite information for their consideration of the Proposed General Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,224,250,000 Shares.

Subject to the passing of the resolution numbered 7 regarding the Proposed General Repurchase Mandate as set out in the Notice and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company would be allowed under the Proposed General Repurchase Mandate to repurchase a maximum of 122,425,000 Shares, representing 10 per cent. of the aggregate nominal amount of Shares in issue (excluding Treasury Shares, if any), until (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the Company is required by any applicable law or the Articles of Association to hold its annual general meeting; and (iii) the date on which the authority set out in the resolution is varied or revoked by an ordinary resolution of the Shareholders in a general meeting, whichever is the earliest.

2. REASONS FOR REPURCHASE

The Directors believe that the granting of the Proposed General Repurchase Mandate is in the best interests of the Company and the Shareholders.

The Company may cancel any Shares repurchased or held by them as Treasury Shares subject to market conditions and the Group's capital management needs at the relevant time of the repurchase.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will be to the benefit of the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

The Directors propose that repurchases of Shares under the Proposed General Repurchase Mandate will be financed from the Company's distributable profits and/or available cash flow. In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Articles of Association and the applicable laws of the Cayman Islands.

There might be a material adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in the audited financial statements for the year ended 31 March 2025 (being the date to which the latest published audited financial statements of the Company have been made up) in the event that the Proposed General Repurchase Mandate is exercised in full. However, the Directors do not intend to exercise the Proposed General Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing level which in the opinion of the Directors are from time to time appropriate for the Company.

4. DISCLOSURE OF INTERESTS

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company in the event that the granting of the Proposed General Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the Proposed General Repurchase Mandate is exercised.

5. DIRECTORS' UNDERTAKING

The Directors will exercise the power of the Company to make repurchases of Shares pursuant to the Proposed General Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands. The Directors confirmed that neither this explanatory statement nor the Proposed General Repurchase Mandate has any unusual features.

6. SHARE PRICES

The highest and lowest prices at which Shares have traded on the Hong Kong Stock Exchange in each of the previous twelve months up to and including the Latest Practicable Date were as follows:

	Highest HK\$	Lowest HK\$
2024		
July	2.40	2.10
August	2.22	2.01
September	2.30	2.04
October	2.50	2.17
November	2.30	2.00
December	2.15	1.96
2025		
January	2.14	1.95
February	2.12	1.77
March	1.98	1.67
April	1.80	1.50
May	1.79	1.58
June	2.35	1.50
July (up to the Latest Practicable Date)	2.15	1.74

7. TAKEOVERS CODE

If, as a result of a repurchase of Shares by the Company pursuant to the Proposed General Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the Controlling Shareholders acting in concert and together held 836,023,000 Shares representing approximately 68.29% of the total issued share capital of the Company. Based on the said interest of the Controlling Shareholders as at the Latest Practicable Date, in the event that the Directors exercise in full their powers under the Proposed General Repurchase Mandate to repurchase Shares, the interest of the Controlling Shareholders in the issued share capital of the Company will be increased to approximately 75.88%. The Directors are not aware of any consequences which would give rise to an obligation on the part of the Controlling Shareholders to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no present intention to exercise the Proposed General Repurchase Mandate to such an extent that will result in the number of Shares in the hands of the public falling below 25%, the prescribed minimum percentage required by the Hong Kong Stock Exchange.

8. SHARES REPURCHASE MADE BY THE COMPANY

No purchase of Shares has been made by the Company (whether on the Hong Kong Stock Exchange or otherwise) in the six months prior to the Latest Practicable Date.

The following is a summary of the principal terms of the rules of the 2025 Share Option Scheme to be adopted at the Annual General Meeting. It does not form part of, nor is it intended to be part of the rules of the 2025 Share Option Scheme, nor should it be taken as affecting the interpretation of the rules of the 2025 Share Option Scheme.

1. PURPOSE

The purpose of the 2025 Share Option Scheme is to incentivize and reward the Eligible Persons for their contribution to the Group and to align their interests with that of the Company so as to encourage them to work towards enhancing the value of the Company.

2. WHO MAY PARTICIPATE

The Board (including any committee or delegate of the Board appointed by the Board to perform any of its functions pursuant to the rules of the 2025 Share Option Scheme) may, at its absolute discretion, offer to grant an option to subscribe for such number of Shares as the Board may determine to an employee (whether full-time or part-time) or a director of the Company or any of its subsidiaries (the “**Eligible Persons**”). The eligibility of any Eligible Person to an offer shall be determined by the Directors from time to time on the basis of (i) his/her skills, knowledge, experience, expertise and other relevant personal qualities; (ii) his or her performance, time commitment, responsibilities or employment conditions and the prevailing market practice and industry standard, (iii) contribution made or expected to be made to the development and growth of the Group, (iv) their length of services with the Group and/or any such other criteria as the Directors may deem appropriate.

3. MAXIMUM NUMBER OF SHARES IN RESPECT OF WHICH OPTIONS MAY BE GRANTED

The maximum number of Shares which may be issued in respect of all options to be granted under the 2025 Share Option Scheme and any options or awards granted under any other share schemes (the “**Other Schemes**”) of the Company must not in aggregate exceed 10% of the total number of Shares in issue as at the Adoption Date, being 122,425,000 Shares (excluding Treasury Shares, if any) (assuming that there is no change in the number of issued Shares during the period from the Latest Practicable Date and the Adoption Date) (the “**Scheme Mandate Limit**”).

The Board may, with the approval of the Shareholders in general meeting, refresh the Scheme Mandate Limit after three years from the date on which the Shareholders approve the last refreshment (or the adoption of the 2025 Share Option Scheme) (as the case may be), provided that the total number of Shares which may be issued upon in respect of all options to be granted under the 2025 Share Option Scheme and any options and awards to be granted under any Other Schemes under the Scheme Mandate Limit as refreshed must not exceed 10% of the number of Shares in issue (excluding Treasury Shares, if any) as at the date on which the Shareholders approve the refreshment of the Scheme Mandate Limit. Any refreshment within any three-year period must be approved

by the Shareholders in general meeting subject to that (i) any controlling shareholders of the Company and their associates (or if there is no controlling shareholder, the Directors (excluding independent non-executive Directors) and the chief executive of the Company and their respective associates) shall abstain from voting in favour of the relevant resolution at the general meeting, and (ii) the Company must comply with the requirements under the Listing Rules.

The Board may, with the approval of the Shareholders in general meeting, grant options to any Eligible Person specifically identified by it which would cause the Scheme Mandate Limit to be exceeded. The number and terms of the options to be granted to such Eligible Person must be fixed before the approval of the Shareholders.

4. MAXIMUM ENTITLEMENT OF EACH INDIVIDUAL

No options shall be granted to any Eligible Person which, if exercised, would result in the number of Shares issued and to be issued in respect of all options granted under the 2025 Share Option Scheme and any options or awards granted under any Other Schemes to such Eligible Person (excluding any options and awards lapsed pursuant to the terms of the relevant scheme(s)) in the 12-month period up to and including the date of offer of such options, in aggregate exceeds 1% of the Shares in issue (excluding Treasury Shares, if any) at such date.

Any further grant of options to an Eligible Person in excess of this 1% limit shall be subject to the approval of the Shareholders in general meeting with such Eligible Person and his close associates (or his associates if such Eligible Person is a connected person of the Company) abstaining from voting.

5. GRANT OF OPTIONS TO CONNECTED PERSONS

Each grant of options to a Director (including an independent non-executive Director), chief executive or substantial shareholders of the Company, or any of their respective associates, under the 2025 Share Option Scheme must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the proposed grantee of the options).

Where any grant of options to an independent non-executive Director or a substantial shareholder of the Company, or any of their respective associates, would result in the number of Shares issued and to be issued in respect of all options granted under the 2025 Share Option Scheme and any options or awards granted under any Other Schemes (excluding any options and awards lapsed pursuant to the terms of the relevant scheme(s)) to such person in the 12-month period up to and including the date of such grant representing in aggregate over 0.1% of the Shares in issue, such further grant of options by the Board must be approved by the Shareholders in general meeting. The Company must send a circular to the Shareholders containing information required under the Listing Rules. Any Shareholder who is the grantee, his associate and a core connected person of the Company must abstain from voting on the resolution to approve such further grant of options, except that he may vote against such resolution subject to the requirements of the Listing Rules.

6. ACCEPTANCE OF AN OFFER OF OPTIONS

An offer of options shall be open for acceptance for such period (not exceeding 30 days inclusive of, and from, the date of offer) as the Board may determine and notify to the Eligible Person concerned provided that no such offer shall be open for acceptance after the expiry of the duration of the 2025 Share Option Scheme. An offer of options not accepted within this period shall lapse. An amount of HK\$1.00 is payable upon acceptance of the grant of an option and such payment shall not be refundable and shall not be deemed to be a part payment of the exercise price.

7. EXERCISE PRICE

Subject to any adjustment made pursuant to the 2025 Share Option Scheme, the exercise price of an option shall be such price as determined by the Board and notified to an option-holder which shall be at least the higher of:

- (i) the closing price of the Shares as stated in the Stock Exchange's daily quotations sheet on the date of offer of the option, which must be a business day;
- (ii) the average closing price of the Shares as stated in the Stock Exchange's daily quotations sheet for the five trading days immediately preceding the date of offer of the option, which must be a business day; and
- (iii) the nominal value of the Shares.

8. DURATION

The 2025 Share Option Scheme shall be valid and effective for a period of ten years commencing from the adoption date of the 2025 Share Option Scheme.

9. VESTING AND EXERCISE OF OPTIONS

Any option shall be vested on an option-holder according to any vesting schedule and/or upon the fulfillment of the vesting conditions (as the case may be) as specified in the offer of the option. The vesting period for an option shall not be less than 12 months. However, if an option is granted to an Eligible Person who is an employee, the Board (or the remuneration committee of the Company where the arrangements relate to grant of an option to a director or senior management member of the Company) may, at its discretion, determine a shorter vesting period for such option under the following specific circumstances:

- (i) where the options are granted in assumption of, or in substitution or exchange for, an option or award previously granted, or the right or obligation to make a future option or award, in all cases by a company acquired by any member of the Group or with which any member of the Group combines;

- (ii) where the Shares to be issued upon the exercise of such options are subject to a minimum holding period of not less than 12 months and are delivered to an Eligible Person under his compensation arrangements with the Company;
- (iii) where the options are subject to performance-based vesting conditions;
- (iv) where the options are granted in batches for administrative or compliance reasons;
- (v) where the options shall vest evenly over a period of 12 months or more; or
- (vi) where the options are subject to a total vesting and holding period of 12 months or more.

Any vested option which has not lapsed and which conditions have been satisfied or waived by the Board in its sole discretion under paragraphs (i) to (vi) above may, unless the Board determines otherwise in its absolute discretion, be exercised at any time from the next business day after the offer of options has been vested. Any option which remains unexercised shall lapse upon the expiry of the option period, which period shall be determined by the Board and shall not exceed ten years from the offer date of the option (the “**Option Period**”).

An option shall be subject to such terms and conditions (if any) as may be determined by the Board at its discretion and specified in the offer of the option, including any vesting schedule and/or conditions, any minimum period for which any option must be held before it can be exercised and/or any performance target which need to be achieved by the Company and/or an option-holder before the option can be exercised. The performance target, if any, shall be assessed in accordance with any one or more of the following corporate-wide or subsidiary, division, operating unit, line of business, project, geographical or individual performance measures (the “**Performance Measures**”) during a specified performance period: cash flow, earnings, earnings per share, market value added or economic value added, profits, return on assets, return on equity, return on investment, sales, revenue, share price, total shareholder return, customer satisfaction metrics, operating results and such other goals as the Board may determine from time to time. Each goal may be expressed on an absolute and/or relative basis, may be based on or otherwise employ comparisons based on internal targets, the past performance of the Group and/or the past or current performance of other companies, and in the case of earnings-based measures, may use or employ comparisons relating to capital, shareholders’ equity and/or shares outstanding, investments or to assets or net assets. The Board may, in its sole discretion, amend or adjust the Performance Measures and establish any special rules and conditions to which the Performance Measures shall be subject at any time. Any terms and conditions determined by the Board must not be contrary to the purpose of the 2025 Share Option Scheme and must be consistent with such guidelines (if any) as may be approved from time to time by the Shareholders.

No option may be exercised in circumstances where such exercise would, in the opinion of the Board, be in breach of a statutory or regulatory requirement.

10. RESTRICTION ON THE TIME OF GRANT OF OPTIONS

A grant of options may not be made after inside information has come to the knowledge of the Company until such inside information has been announced as required under the Listing Rules. In particular, no option may be granted during the period commencing 30 days immediately preceding the earlier of:

- (i) the date of the Board meeting (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); or
- (ii) the deadline for the Company to publish an announcement of its results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules),

and ending on the date of the results announcement. The period during which no option may be granted will cover any period of delay in the publication of a results announcement.

11. RANKING OF THE SHARES

No dividends (including distributions made upon the liquidation of the Company) will be payable and no voting rights will be exercisable in relation to an option that has not been exercised. Shares allotted and issued on the exercise of an option will rank equally in all respects with the Shares in issue on the date of allotment. They will not rank for any rights attaching to Shares by reference to a record date preceding the date of allotment.

12. RESTRICTIONS ON TRANSFER

Except for the transmission of an option on the death of an option-holder to his personal representatives or pursuant to a written consent from the Board after obtaining waiver granted at the Stock Exchange's discretion, neither the option nor any rights in respect of it may be transferred, assigned or otherwise disposed of by any option-holder to any other person or entity. If an option-holder transfers, assigns or disposes of any such option or rights, whether voluntarily or involuntarily, then the relevant option will immediately lapse.

13. LAPSE OF OPTIONS AND CLAWBACK

An option will lapse on the earlier of (i) the expiry of the Option Period, (ii) the date when any circumstances referred to in paragraph 12 above occurs; or (iii) the expiry of the time provided for in the applicable rule where any of the circumstances provided in subparagraphs 13(a) to 13(g) below apply.

(a) Lapse on voluntary resignation

If an option-holder ceases to be an Eligible Person by reason of his voluntary resignation (other than in circumstances where he is constructively dismissed), all options (to the extent vested but not already exercised) will continue to be exercisable for such period as the Board may determine at its absolute discretion and notify to such Eligible Person on the date of cessation of employment of such Eligible Person.

(b) Lapse on termination of employment

If an option-holder ceases to be an Eligible Person by reason of (i) his employer terminating his contract of employment in accordance with its terms or any right conferred on his employer by law, or (ii) his contract of employment (being a contract for a fixed term) expiring and not being renewed, or (iii) his employer terminating his contract for serious or gross misconduct, then any outstanding offer of an option and all options, vested or unvested, will lapse on the date the option-holder ceases to be an Eligible Person.

(c) Lapse on death, disability, retirement and transfer

If an option-holder ceases to be an Eligible Person by reason of (i) his death, (ii) his serious illness or injury which in the opinion of the Board renders the option-holder concerned unfit to perform the duties of his employment and which in the normal course would render the option-holder unfit to continue performing the duties under his contract of employment for the following 12 months provided such illness or injury is not self-inflicted, (iii) his retirement in accordance with the terms of an option-holder's contract of employment; (iv) his early retirement by agreement with the option-holder's employer; or (v) his employer terminating his contract of employment by reason of redundancy; (vi) his employer ceasing to be a member of the Group or under the control of the Company; (vii) a transfer of the business, or the part of the business, in which the option-holder works to a person who is neither under the control of the Company nor a member of the Group; or (viii) if the Board determines in its absolute discretion that circumstances exist which mean that it is appropriate and consistent with the purpose of the 2025 Share Option Scheme to treat an option-holder whose options would otherwise lapse so that such options do not lapse but continue to subsist in accordance with (and subject to) the provisions of the 2025 Share Option Scheme, then any outstanding offer of an option which has not been accepted and any unvested option will lapse and the option-holder or his personal representatives (if appropriate) may exercise all his options (to the extent vested but not already exercised) within a period of three months of the date of cessation of employment. Any option not exercised prior to the expiry of this period shall lapse.

(d) Lapse on cessation to be a director

In the event that any director ceases to be a director of any member of the Group, the Company shall, as soon as practicable thereafter, give notice to the relevant option-holder who as a result ceases to be an Eligible Person. Any outstanding offer of an option which has not been accepted and any unvested option will lapse on the date the option-holder ceases to be an Eligible Person. The option-holder (or his personal representative) may exercise all his options (to the extent vested but not already exercised) within a period of three months of the date of the notification by the Board. Any option not exercised prior to the expiry of this period shall lapse.

(e) Lapse on a general offer

If as a result of any general offer made to the holders of Shares, the Board becomes aware that the right to cast more than 50% of the votes which may ordinarily be cast on a poll at a general meeting of the Company has or will become vested in the offeror, any company controlled by the offeror and any person associated with or acting in concert with the offeror (a “**Change of Control**”), the Board will notify every option-holder of this within 14 days of becoming so aware or as soon as practicable after any legal or regulatory restriction on such disclosure no longer applies. Each option-holder will be entitled to exercise his options (to the extent vested but not already exercised) during the period of one month starting on the date of the Board’s notification to the option-holders. All options, vested or unvested, not exercised before the end of such period will lapse.

(f) Lapse on company reconstructions

In the event of a compromise or arrangement, the Company shall give notice to all option-holders on the same date as it gives notice of the meeting to the Shareholders or creditors to consider such a compromise or arrangement and each option-holder (or his personal representative) may at any time thereafter, but before such time as shall be notified by the Company, exercise all or any of his options (to the extent vested but not already exercised), and subject to the Company receiving the exercise notice and the exercise price, the Company shall as soon as possible and in any event no later than the business day immediately prior to the date of the proposed general meeting, allot, issue and register under the name of the option-holder such number of fully paid Shares which fall to be issued on exercise of such options. Any options, vested or not unvested, not so exercised will lapse.

(g) Lapse on winding up

In the event a notice is given by the Company to the Shareholders to convene a general meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind up the Company, the Company shall on the same date as or soon after it dispatches such notice to the Shareholders give notice thereof

to all option-holders and each option-holder shall be entitled to exercise all or any of his options (to the extent vested but not already exercised) at any time no later than seven days prior to the proposed general meeting of the Company, and subject to the Company receiving the exercise notice and the exercise price, the Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting, allot, issue and register under the name of the option-holder such number of fully paid Shares which fall to be issued on exercise of such options. Any options, vested or not unvested, not so exercised will lapse.

(h) Clawback

If the Board determines that an option-holder ceases to be an Eligible Person upon the occurrence of any of the circumstances below:

- (1) is guilty of any misconduct which would have justified the termination of his contract of employment for cause but which does not become known to the Company until after he has ceased employment with any member of the Group; or
- (2) is in breach of any material term of contract of employment (or other contract or agreement related to his contract of employment), without limitation, any confidentiality agreement or agreement containing non-competition or non-solicitation restrictions between him and any member of the Group; or
- (3) has disclosed trade secrets or confidential information of any member of the Group; or
- (4) has entered into competition with any member of the Group or breached any non-solicitation provisions in his contract of employment,

then it may, in its absolute discretion, determine that any unexercised options, vested or not vested, held by the option-holder shall immediately lapse upon the Board resolving to make such determination (whether or not the option-holder has been notified of the determination).

Under this paragraph 13(h) and paragraph 13(b) above, the Board may (but is not obliged to) by notice in writing to the option-holder concerned claw back such number of options (to the extent not being exercised) granted as the Board may consider appropriate. The clawback will occur when the option-holder ceases to be an Eligible Person. The options that are clawed back pursuant to this paragraph 13(h) and paragraph 13(b) above shall be regarded as lapsed and the options so clawed back will not be regarded as utilised for the purpose of calculating the Scheme Mandate Limit (including the refreshed limit, as the case may be). For the avoidance of doubt, options that have been exercised shall not be subject to the clawback mechanism as set out in this paragraph.

14. REORGANIZATION OF CAPITAL STRUCTURE

In the event of any alteration in the capital structure of the Company whilst any option remains exercisable, whether by way of capitalization of profits or reserves, further rights issues of Shares, consolidation or subdivision of shares, or reduction of the share capital of the Company in accordance with applicable laws and regulatory requirements (other than an issue of any share capital for cash under a placement of shares or as consideration in respect of a transaction), such corresponding adjustments (if any) shall be made to the number of Shares, the subject matter of the option (insofar as it is unexercised) and/or the price at which the options are exercisable, as the auditors of the Company or an independent financial adviser appointed by the Board shall certify in writing to the Board to be in their opinion fair and reasonable. Any such adjustments shall be made on the basis that an option-holder shall have the same proportion of the issued share capital of the Company (rounded to the nearest whole Share) as that to which he was entitled before such adjustment. No such adjustment shall be made the effect of which would be to enable any Share to be issued at less than its nominal value, or to increase the proportion of the issued share capital of the Company for which any option-holder would have been entitled to subscribe had he exercised all the options held by him immediately prior to such adjustments.

The maximum number of Shares in respect of which options may be granted shall be adjusted, in such manner as the auditors of the Company or independent financial adviser appointed by the Board shall certify in writing to the Board to be in their opinion fair and reasonable, in the event of any alteration in the capital structure of the Company whether by way of capitalization of profits or reserves, rights issue, consolidation or subdivision of shares, or reduction of the share capital of the Company, provided that no such adjustment shall be made in the event of an issue of Shares as consideration in respect of a transaction.

15. CANCELLATION OF OPTION

Unless the option-holder agrees, the Board may only cancel an option in the event that the Board decides to terminate the 2025 Share Option Scheme in accordance with paragraph 16 below, (which has been granted but not yet exercised) if, at the election of the Board, either (i) the Company pays to the option-holder an amount equal to the fair market value of the option at the date of cancellation as determined by the Board at its absolute discretion, after consultation with the auditors of the Company or an independent financial adviser appointed by the Board; (ii) the Board offers to grant to the option-holder replacement options (or options under any Other Schemes) or makes such arrangements as the option-holder may agree to compensate him for the loss of the option; or (iii) the Board makes such arrangements as the option-holder may agree to compensate him for the cancellation of the option. Any options cancelled will be regarded as utilized for the purpose of calculating the Scheme Mandate Limit.

16. TERMINATION

The 2025 Share Option Scheme will expire automatically on the day immediately preceding the tenth anniversary of the Adoption Date. The Board may terminate the 2025 Share Option Scheme at any time without Shareholders' approval by resolving that no further options shall be granted under the 2025 Share Option Scheme and in such case, no new offers to grant options under the 2025 Share Option Scheme will be made and any options which have been granted but not yet exercised shall either (i) continue subject to the rules of the 2025 Share Option Scheme, or (ii) be cancelled in accordance with paragraph 15 above.

17. AMENDMENTS

The Board may amend any of the provisions of the 2025 Share Option Scheme (including amendments in order to comply with changes in legal or regulatory requirements) at any time (but not so as to affect adversely any rights which have accrued to any option-holder at that date), except that (i) proposed amendments which are of a material nature (save where the amendments take effect automatically under the existing terms of the 2025 Share Option Scheme) and (ii) proposed amendments which are to the advantage of present or future option-holders relating to matters contained in Rule 17.03 of the Listing Rules must be approved by the Shareholders in general meeting.

Any amendments to the terms of any options granted may only be made with the approval of the Shareholders save where the amendments take effect automatically under the existing terms of the 2025 Share Option Scheme.

Any change to the terms of options granted under the 2025 Share Option Scheme to an Eligible Person must be approved by the Board, the remuneration committee, the independent non-executive Directors and/or the Shareholders of the Company (as the case may be) if the initial grant of the options was approved by the Board, the remuneration committee, the independent non-executive directors and/or the Shareholders of the Company (as the case may be). This requirement does not apply where the amendments take effect automatically under the existing terms of the 2025 Share Option Scheme.

The following is a marked-up version of the New Articles which shows the Proposed Amendments. The English version shall prevail in case of any discrepancy or inconsistency between the English version and its Chinese translation.

The Company shall also have a first and paramount lien on every share (not being a fully paid share) registered in the name of a Member (whether or not jointly with other Members) for all amounts of money presently payable by such Member or his estate to the Company whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such ~~m~~Member, and whether the period for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such Member or his estate and any other person, whether a Member or not. The Company's lien on a share shall extend to all dividends or other moneys payable thereon or in respect thereof. The Board may at any time, generally or in any particular case, waive any lien that has arisen or declare any share exempt in whole or in part, from the provisions of this Article.
23. Subject to these Articles, the Company may sell in such manner as the Board determines any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of fourteen (14) clear days after a ~~n~~Notice in writing, stating and demanding payment of the sum presently payable, or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving ~~n~~Notice of the intention to sell in default, has been served on the registered holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.
24. The net proceeds of the sale shall be received by the Company and applied in or towards payment or discharge of the debt or liability in respect of which the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

25. Subject to these Articles and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such

~~n~~Notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines but no Member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.

26. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.
27. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.
28. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.
29. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.
30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.
32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.

33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one (1) month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:
- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
 - (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.
- (2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.
35. When any share has been forfeited, ~~n~~Notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.
36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.
37. Any share so forfeited shall be deemed the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.

38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.
39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.
40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:
- (a) the name and address of each Member, the number and class of shares held by him and the amount paid or agreed to be considered as paid on such shares;
 - (b) the date on which each person was entered in the Register; and
 - (c) the date on which any person ceased to be a Member.
- (2) The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.
44. The Register and branch register of Members maintained in Hong Kong, as the case may be, shall be open to inspection for at least two (2) hours during business hours by Members without charge or by any other person, upon a maximum payment of \$2.50 or such lesser sum specified by the Board, at the Office or such other place at which the Register is kept in accordance with the Act or, if appropriate, upon a maximum payment of \$1.00 or such lesser sum specified by the Board at the Registration Office. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in ~~an appointed newspaper or any other~~any newspapers in accordance with the requirements of any Designated Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

RECORD DATES

45. Subject to the Listing Rules ~~of any Designated Stock Exchange~~, notwithstanding any other provision of these Articles the Company or the Directors may fix any date as the record date for:
- (a) determining the Members entitled to receive any dividend, distribution, allotment or issue ~~and such record date may be on, or at any time not more than thirty (30) days before or after, any date on which such dividend, distribution, allotment or issue is declared, paid or made;~~

TRANSFER OF SHARES

46. (1) Subject to these Articles, any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.
- (2) Notwithstanding the provisions of subparagraph (1) above, for so long as any shares are listed on the Designated Stock Exchange, titles to such listed shares may be evidenced and transferred in accordance with the laws applicable to and the Listing Rules that are or shall be applicable to such listed shares. The register of members of the Company in respect of its listed shares (whether the Register or a branch register) may be kept by recording the particulars required by Section 40 of the Act in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the Listing Rules that are or shall be applicable to such listed shares.
47. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.
48. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.
- (2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.
- (3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.

- (4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the Act.
49. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:-
- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;
 - (b) the instrument of transfer is in respect of only one class of share;
 - (c) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the Act or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
 - (d) if applicable, the instrument of transfer is duly and properly stamped.
50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.
51. The registration of transfers of shares or of any class of shares may, after notice has been given by announcement or by electronic communication or by advertisement in any newspapers or by any other means in accordance with the requirements of any Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

TRANSMISSION OF SHARES

52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.
53. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.
54. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 72(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.
- (2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:
- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles have remained uncashed;

- (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
- (c) the Company, if so required by the ~~rules governing the Listing of shares on the Designated Stock Exchange~~Rules, has given notice of its intention to sell such shares to, and caused advertisement ~~in both in~~ in both in daily newspapers and in a newspaper circulating in the area of the last known address of such Member or any person entitled to the share under Article 54 and where applicable, in each case in accordance with the requirements of, the Designated Stock Exchange to be made of its intention to sell such shares in the manner required by the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

- (3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

 - (c) where Members attend a meeting by being present at one of the Meeting Locations and/or where Members participating in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any

reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more Members or proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted there or any action taken pursuant to such business provided that there is a quorum present throughout the meeting; and

- (d) if any of the Meeting Locations is not in the same jurisdiction as the Principal Meeting Place and/or in the case of a hybrid meeting, the provisions of these Articles concerning the service and giving of Notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the Notice for the meeting.

64B. The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Member who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any Member so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the Notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

64C. If it appears to the chairman of the general meeting that:

- (a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 64A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the Notice of the meeting; or
- (b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have become inadequate; or
- (c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or

- (d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then, without prejudice to any other power which the chairman of the meeting may have under these Articles or at common law, the chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for indefinite period). All business conducted at the meeting up to the time of such adjournment shall be valid.

- 64D. The Board and, at any general meeting, the chairman of the meeting may make any arrangement and impose any requirement or restriction the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Members shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

- 64E. If, after the sending of Notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not Notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the Notice calling the meeting, they may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the Members. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every Notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a Notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a Notice shall not affect the automatic postponement of a meeting);

- (b) when only the form of the meeting or electronic facilities specified in the Notice are changed, the Board shall notify the Members of details of such change in such manner as the Board may determine;
 - (c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 64, unless already specified in the original Notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the Members of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed meeting; and
 - (d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original Notice of general meeting circulated to the Members.
- 64F. All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 64C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.
- 64G. Without prejudice to other provisions in Article 64, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.
65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a poll every Member present in person or by proxy ~~or, in the case of a Member being a corporation, by its duly authorised representative~~ shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or

instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that in the case of a physical meeting, the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person (or being a corporation, is present by a duly authorized representative), or by proxy(ies) shall have one vote provided that where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Article, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine.

- (2) Where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (a) by at least three Members present in person or ~~in the case of a Member being a corporation by its duly authorised representative or~~ by proxy for the time being entitled to vote at the meeting; or
 - (b) by a Member or Members present in person or ~~in the case of a Member being a corporation by its duly authorised representative or~~ by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or
 - (c) by a Member or Members present in person or ~~in the case of a Member being a corporation by its duly authorised representative or~~ by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member ~~or in the case of a Member being a corporation by its duly authorised representative~~ shall be deemed to be the same as a demand by the Member.

67. Where a resolution is voted on by a show of hands, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the

resolution. The result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the Listing Rules of the Designated Stock Exchange.

68. On a poll votes may be given either personally or by proxy.
69. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.
70. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the Act. In the case of an equality of votes, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.
71. Where there are joint holders of any share any one of such joint holders may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.
72. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, *curator bonis* or other person in the nature of a receiver, committee or *curator bonis* appointed by such court, and such receiver, committee, *curator bonis* or other person may vote by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting, or postponed meeting, as the case may be.
- (2) Any person entitled under Article 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting or postponed meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.
73. (1) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless

he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.

- (2) All Members shall have the right to (a) speak at a general meeting; and (b) vote at a general meeting except where a Member is required, by the Listing Rules of the Designated Stock Exchange, to abstain from voting to approve the matter under consideration.
- (3) Where the Company has knowledge that any Member is, under the Listing Rules of the Designated Stock Exchange, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against any particular resolution of the Company, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.

74. If:

- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting or postponed meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting or postponed meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

- 75. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.
- 76. The instrument appointing a proxy shall be in ~~writing under the hand of~~ such form, including electronic or otherwise, as the Board may determine and in the absence of such determination, shall be in writing, which may include electronic writing, and

signed by the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of signed by an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts.

77. (1) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.
77. (2) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the nNotice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than forty-eight (48) hours before the time appointed for holding the meeting or adjourned meeting or postponed meeting at which the person named in the instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or postponed meeting in cases where the meeting was

originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting ~~in person~~ at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

78. Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two-way form) and the Board may, if it thinks fit, send out with the ~~the~~ Notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates. The Board may decide, either generally or in any particular case, to treat a proxy appointment as valid notwithstanding that the appointment or any of the information required under these Articles has not been received in accordance with the requirements of these Articles. Subject to aforesaid, if the proxy appointment and any of the information required under these Articles is not received in the manner set out in these Articles, the appointee shall not be entitled to vote in respect of the shares in question.
79. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the ~~the~~ Notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting or postponed meeting, at which the instrument of proxy is used.
80. Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply *mutatis mutandis* in relation to any such attorney and the instrument under which such attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES

81. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- (2) If a clearing house (or its nominee(s)), being a corporation, is a Member, it may authorise such persons as it thinks fit to act as its representatives at any

meeting of the Company or at any meeting of any class of Members provided that, if more than one person is so authorised, the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house (or its nominee(s)) including, the right to speak and vote and, where a show of hands is allowed, the right to vote individually on a show of hands.

- (3) Any reference in these Articles to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Article.

WRITTEN RESOLUTIONS OF MEMBERS

82. A resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive ~~an~~ Notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Articles, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a special resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.

BOARD OF DIRECTORS

83. (1) Unless otherwise determined by the Company in general meeting, the number of Directors shall not be less than two (2). There shall be no maximum number of Directors unless otherwise determined from time to time by the Members in general meeting. The Directors shall be elected or appointed in the first place by the subscribers to the Memorandum of Association or by a majority of them and thereafter in accordance with Article 84 called for such purpose and who shall hold office for such term as the Members may determine or, in the absence of such determination, in accordance with Article 84 or until their successors are elected or appointed or their office is otherwise vacated.
- (2) Subject to the Articles and the Act, the Company may by ordinary resolution elect any person to be a Director either to fill a casual vacancy on the Board, or as an addition to the existing Board.
- (3) The Directors shall have the power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy on the Board or

as an addition to the existing Board. Any Director so appointed shall hold office only until the ~~next following~~first annual general meeting of the Company after his appointment and shall then be eligible for re-election.

- (4) Neither a Director nor an alternate Director shall be required to hold any shares of the Company by way of qualification and a Director or alternate Director (as the case may be) who is not a Member shall be entitled to receive ~~a~~Notice of and to attend and speak at any general meeting of the Company and of all classes of shares of the Company.
- (5) The Members may, at any general meeting convened and held in accordance with these Articles, by ordinary resolution remove a Director (including a managing or other executive Director) at any time before the expiration of his ~~period~~term of office notwithstanding anything to the contrary in these Articles or in any agreement between the Company and such Director (but without prejudice to any claim for damages under any such agreement).
- (6) A vacancy on the Board created by the removal of a Director under the provisions of subparagraph (5) above may be filled by the election or appointment by ordinary resolution of the Members at the meeting at which such Director is removed.
- (7) The Company may from time to time in general meeting by ordinary resolution increase or reduce the number of Directors but so that the number of Directors shall never be less than two (2).

RETIREMENT OF DIRECTORS

- 84. (1) Notwithstanding any other provisions in the Articles, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years.
- (2) A retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. Any Director appointed by the Board pursuant to Article 83(3) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

85. No person other than a Director retiring at the meeting shall, unless recommended by the Directors for election, be eligible for election as a Director at any general meeting unless a Notice signed by a Member (other than the person to be proposed) duly qualified to attend and vote at the meeting for which such notice is given of his intention to propose such person for election and also a Notice signed by the person to be proposed of his willingness to be elected shall have been lodged at the head office or at the Registration Office provided that the minimum length of the period, during which such Notice(s) are given, shall be at least seven (7) days and that (if the Notices are submitted after the despatch of the notice of the general meeting appointed for such election) the period for lodgment of such Notice(s) shall commence on the day after the despatch of the notice of the general meeting appointed for such election and end no later than seven (7) days prior to the date of such general meeting.

DISQUALIFICATION OF DIRECTORS

86. The office of a Director shall be vacated if the Director:
- (1) resigns his office by notice in writing delivered to the Company at the Office or tendered at a meeting of the Board;
 - (2) becomes of unsound mind or dies;
 - (3) without special leave of absence from the Board, is absent from meetings of the Board for six consecutive months, and his alternate Director, if any, shall not during such period have attended in his stead and the Board resolves that his office be vacated;
 - (4) becomes bankrupt or has a receiving order made against him or suspends payment or compounds with his creditors;
 - (5) is prohibited by law from being a Director; or
 - (6) ceases to be a Director by virtue of any provision of the Statutes or is removed from office pursuant to these Articles.

EXECUTIVE DIRECTORS

87. The Board may from time to time appoint any one or more of its body to be a managing director, joint managing director or deputy managing director or to hold any other employment or executive office with the Company for such period (subject to their continuance as Directors) and upon such terms as the Board may determine and the Board may revoke or terminate any of such appointments. Any such revocation or termination as aforesaid shall be without prejudice to any claim for damages that such Director may have against the Company or the Company may have against such Director. A Director appointed to an office under this Article shall

be subject to the same provisions as to removal as the other Directors of the Company, and he shall (subject to the provisions of any contract between him and the Company) ipso facto and immediately cease to hold such office if he shall cease to hold the office of Director for any cause.

88. Notwithstanding Articles 93, 94, 95 and 96, an executive director appointed to an office under Article 87 hereof shall receive such remuneration (whether by way of salary, commission, participation in profits or otherwise or by all or any of those modes) and such other benefits (including pension and/or gratuity and/or other benefits on retirement) and allowances as the Board may from time to time determine, and either in addition to or in lieu of his remuneration as a Director.

ALTERNATE DIRECTORS

89. Any Director may at any time by Notice delivered to the Office or head office or at a meeting of the Directors appoint any person (including another Director) to be his alternate Director. Any person so appointed shall have all the rights and powers of the Director or Directors for whom such person is appointed in the alternative provided that such person shall not be counted more than once in determining whether or not a quorum is present. An alternate Director may be removed at any time by the body which appointed him and, subject thereto, the office of alternate Director shall continue until the happening of any event which, if he were a Director, would cause him to vacate such office or if his appointer ceases for any reason to be a Director. Any appointment or removal of an alternate Director shall be effected by Notice signed by the appointor and delivered to the Office or head office or tendered at a meeting of the Board. An alternate Director may also be a Director in his own right and may act as alternate to more than one Director. An alternate Director shall, if his appointor so requests, be entitled to receive notices of meetings of the Board or of committees of the Board to the same extent as, but in lieu of, the Director appointing him and shall be entitled to such extent to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to exercise and discharge all the functions, powers and duties of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he were a Director save that as an alternate for more than one Director his voting rights shall be cumulative.
90. An alternate Director shall only be a Director for the purposes of the Act and shall only be subject to the provisions of the Act insofar as they relate to the duties and obligations of a Director when performing the functions of the Director for whom he is appointed in the alternative and shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the Director appointing him. An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified by the Company to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the Company any fee in his capacity as an alternate Director except only such part, if any, of the

remuneration otherwise payable to his appointor as such appointor may by Notice to the Company from time to time direct.

91. Every person acting as an alternate Director shall have one vote for each Director for whom he acts as alternate (in addition to his own vote if he is also a Director). If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act, the signature of an alternate Director to any resolution in writing of the Board or a committee of the Board of which his appointor is a member shall, unless the notice of his appointment provides to the contrary, be as effective as the signature of his appointor.
92. An alternate Director shall ipso facto cease to be an alternate Director if his appointor ceases for any reason to be a Director, however, such alternate Director or any other person may be re-appointed by the Directors to serve as an alternate Director PROVIDED always that, if at any meeting any Director retires but is re-elected at the same meeting, any appointment of such alternate Director pursuant to these Articles which was in force immediately before his retirement shall remain in force as though he had not retired.

DIRECTORS' FEES AND EXPENSES

93. The ordinary remuneration of the Directors shall from time to time be determined by the Company in general meeting and shall (unless otherwise directed by the resolution by which it is voted) be divided amongst the Board in such proportions and in such manner as the Board may agree or, failing agreement, equally, except that any Director who shall hold office for part only of the period in respect of which such remuneration is payable shall be entitled only to rank in such division for a proportion of remuneration related to the period during which he has held office. Such remuneration shall be deemed to accrue from day to day.
94. Each Director shall be entitled to be repaid or prepaid all travelling, hotel and incidental expenses reasonably incurred or expected to be incurred by him in attending meetings of the Board or committees of the Board or general meetings or separate meetings of any class of shares or of debentures of the Company or otherwise in connection with the discharge of his duties as a Director.
95. Any Director who, by request, goes or resides abroad for any purpose of the Company or who performs services which in the opinion of the Board go beyond the ordinary duties of a Director may be paid such extra remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine and such extra remuneration shall be in addition to or in substitution for any ordinary remuneration provided for by or pursuant to any other Article.
96. The Board shall obtain the approval of the Company in general meeting before making any payment to any Director or past Director of the Company by way of compensation for loss of office, or as consideration for or in connection with his retirement from office (not being payment to which the Director is contractually entitled).

DIRECTORS' INTERESTS

97. A Director may:

- (a) hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and upon such terms as the Board may determine. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board,

be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

142. (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:
- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("**the non-elected shares**") and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or

- (b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised ("**the elected shares**") and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.
- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (1) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be

allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.

- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall *mutatis mutandis* apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

143. (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. Unless otherwise provided by the provisions of these Articles, the Board may apply the share premium account in any manner permitted by the Act. The Company shall at all times comply with the provisions of the Act in relation to the share premium account.
- (2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

144. (1) The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.
- (2) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and the profit and loss account) whether or not the same is available for distribution by applying such sum in paying up unissued shares to be allotted to (i)

employees (including directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting, or (ii) any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.

145. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Article and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

146. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Act:
- (1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:
- (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "**Subscription Rights Reserve**") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;

- (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
- (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
 - (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and
- (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of

such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

- (2) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.
- (3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a special resolution of such warrant holders or class of warrant holders.
- (4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

- 147.
